

## Mopar Muscle Cars of Austin

---

### Random Thoughts & Club Happenings

---

Kars for Kids 2000 was another huge financial success this year. Money is raised through club and individual donations, silent auctions, and a live auction. A total of over \$27,000 was raised to benefit the Royal Family Kids Camp this year. Congratulations to all who participated. As always, Mopar Muscle Cars of Austin was among the top few contributors. This year we were greatly aided by Carl Samos' gracious donation of \$100 to the club's total. Thanks, Carl!

Attendance by our club was, to say the least, a bit "off" this year with a grand total of 2 cars showing up- myself in my '66 Polara and Kit in his Challenger. Think maybe we can do a little better next year? I hope so.

In the "upcoming events" category, we have the Fredricksburg Swap Meet and another swap meet at Rosanky. The Freds'burg meet is always a good one, and I believe we still have a "club space" reserved for those who wish to unload some un-needed parts. Its even under a tree! Last year we were quite successful with our sales, and some of us did pretty good at purchasing as well. I got the notice for the Rosanky meet out of the "Latest Scoop" newsletter, and I hope its not in error- that meet is usually later into the fall. There is an information number indicated, so we'll call it and check the situation out. See the "Calendar of Events" for dates/times and contact information. Call one of the officers to find out if we've got a group meeting time and place.

Another upcoming event is the twins' Farm Party, June 10th. I understand that its a great

time- I've never been able to attend as I have an annual meeting I have to attend the 2nd saturday in June. The twins are extremely generous to provide all the goodies that they do, not to mention all the preparation and hard work in getting ready. Thanks, guys.... and if I can ever ditch this other obligation I'll definitely be there!

I hate to end on a downer, but as many of you may have already heard Steven Dykes and his family will be leaving Austin later this summer to head for "The Big D." Steve's got a lot of stuff he needs to get sold before he goes (see the "For Sale" section of this newsletter). We wish you all the best, Steven. It will be hard to lose one of our most active, generous, and involved members. We'll have a huge hole to fill. God bless you in your endeavors, and may he speed you back here to Austin in the future!

-Steve Lacker

---

## Dues Blues

---

The following folks have dues that are due. Please contact Harry Amon or mail your dues to the club mailbox (the return address on this newsletter).

In Harry's own words:

"Steve Barron, and Jeff Worsham are way overdue. Dave Wolgast and Mike Cox are just overdue. John Molly and Glenn Swaffield are due."

And with that, the "dues blues" are done. Maybe overdone....

---

## ---MMCA Website---

---

We have a website! Its just a prototype, but for now check out **<http://lonestar.texas.net/~sglacker/MMCA>**. Carl Samos will be hosting the permanent version at **<http://www.mopar.org>** as soon as we get the files transferred. There are pictures from club events and an archive of club newsletters in Adobe PDF format.

---

# Local Activities

---

The Blanco show, usually attended by at least a few MMCA members, will take place Saturday May 20, at Blanco State Park.

---
